[Redacted] Transmitted to Mr. Robert Smart for Chairman Vinson, of the House Armed Services Committee, a copy of the proposed unclassified release of information concerning Cuba intended for use in connection with the Director's appearance before the Stearns Preparedness Investigating Subcommittee. Mr. Smart advised the transmittal of a copy of the release to the Committee Chairman, for his information, was sufficient and that no approval or blessing of the Chairman was necessary in this instance.

25X1

[Redacted] Called Mr. Milton Eisenberg, Administrative Assistant to Senator Keating, concerning the Senator's offer to provide his information on Cuba to the President and advised him that the DCI would be happy to receive the information on behalf of the President. It was indicated that Mr. McCone had meetings scheduled on the Hill and could meet with Senator Keating at 3:00 P. M. or after, or, if the Senator desired, might be able to arrange to come away and meet the Senator prior to that hour. Eisenberg advised he would get the information to the Senator and call as soon as he received the Senator's reaction. It was later determined that Senator Keating would be unable to meet with the Director before Thursday morning. A tentative meeting was scheduled for 10:30 Thursday morning.
